Profile Summary

"As a recent, graduate with a B Tech in Information Science and Engineering. I am eager to embark on a dynamic career journey. I am excited to apply my skills and contribute to a professional setting. "

Education

East Point College Of Engineering and Technology, BE in Information Science Sept 2020 – May 2024

- GPA: 7.5/10

Experience

Full Stack Web Development, Intern, Varcons Technology Aug 2023 – Sep 2023

- Assisted in designing and developing front-end components for web applications. Gained experience with technologies like HTML, CSS and JavaScript. Contributed to debugging, testing, and deploying web applications.

Technical Skills

- | | | | |
|----------------|-----------|--------|---------------|
| • HTML and CSS | • Node JS | • JAVA | • JavaScript |
| • React JS | • Python | • SQL | • Go Language |

Key Skills

- | | |
|----------------------------------|----------------|
| • Problem-Solving | • Hardworking |
| • Ability to work under pressure | • Fast Learner |

Projects

Deep Learning Based Anomaly Detection For Fog-Assisted IoVs Network Dec 2023 – Apr 2024

- The project aims to use deep learning to spot unusual or suspicious activity in smart car networks. By using nearby computing resources, it can quickly detect issues, making these networks safer and more efficient.
- Tools Used: Pandas,CNN,LR

The Foodies App Aug 2024 – Nov 2024

- Developed a web application to explore meals, where users can add new meals with detailed recipes and view information about existing meals. Utilized front-end technologies for dynamic user interfaces, and implemented back-end functionality with Node.js and a database for meal data storage and retrieval.
- Tools Used: React JS, Node JS, Sqlite3

Instagram Automation Feb 2022 –Apr 2022

- This Project is to automates tasks on the Instagram platform, such as searching users, liking posts, and following or unfollowing users. It uses libraries like ‘Selenium’ to interact with Instagram’s interface.
- Tools Used: Python,Selenium

Certifications

React - The Complete Guide 2024 (incl. Next.js, Redux) Certificate

- Issuing Organization : Udemy

The Ultimate MySQL Bootcamp: Go from SQL Beginner to Expert Certificate

- Issuing Organization : Udemy

100 Days of Code: The Complete Python Pro Bootcamp Certificate

- Issuing Organization : Udemy
